

Okanagan Miniature Horse Club Membership Application

The Okanagan Miniature Horse Club was formed in 2004 and consists of a number of breeders and miniature horse enthusiasts that have been involved in the industry for many great years. We are an ever growing club that includes members from Interior BC to Vancouver to Alberta. The OMHC hosts an AMHA and AMHR Sanctioned Show yearly...these shows are well attended and enjoyed by all. Throughout the year OMHC also hosts a number of clinics, fun shows and events. An informative and fun newsletter is available to members. The newsletter features club members, their farms and horses...also including informative articles on minis. The newsletter also offers the opportunity for affordable advertising to members. Club members are encouraged to submit photos, articles and submissions of interest. For more information about the club contact: Barb Aschenmeier 1-250-379-2513.
